Present: Johanna Delaney, Chair; Laura Tortorello, Trustee; Kathleen Wilson, Trustee; Vicky Bush-Joseph; Margaret Carsello-Chiappetta; Karen Kleckner Keefe, Executive Director

The meeting was called to order at 4:43 p.m.

**David Lee Csicsko Proposal**

The committee discussed the revised drawings for the mosaic project.

Executive Director Keefe said that she appreciated the perspective from the other committee members that the artist had always conceptualized this commission as including both tile and mosaic elements. Keefe agreed that that these pieces help the committee meet its objective to introduce a diverse collection of visual art to our community. She also talked to Youth Services staff and looked closely at the proposed signage plan and is satisfied that displaying the mosaics on the columns will not interfere with other needs in the space.

Trustee Tortorello thanked the other committee members for their patience. After Monday's meeting, she reviewed Csicsko's work and was pleased to see other examples of using interior columns to display his work. She agrees with Keefe that the proposed mosaics will not have an adverse effect on the need for flexibility in the Youth Services department.

On a motion by Vicky Bush-Joseph and a roll call vote, the committee unanimously approved the commission of the mosaic project presented in Csicsko's 6/6/2016 proposal for \$4,950 and based on the revised drawings submitted by the artist on 6/7/2016.

There being no further business, on a motion by Laura Tortorello and seconded by Johanna Delaney, the meeting was adjourned at 4:50 p.m.
